Wood-grained, maintenance-free building board

HERE'S WHAT SOME OF OUR CUSTOMERS SAY ABOUT US...

Hi.....

We just had our old weatherboard cottage transformed into the most stunning house in the street (we think so anyway). Thought we should let you know how very happy we are. Rick & his assistant did an absolute outstanding job. Much pride & great workmanship went into the project. I actually said to Rick that he was annoying me because I couldn't fault him!!! With 3 dogs, a cat, hubby & myself (forever taking photos) hanging around we were probably annoying him. Just couldn't help ourselves; the transformation was amazing. We'll certainly recommend FORMPLEX & its tradesmen to anyone who is willing to listen to us bragging about our fantastic looking cottage.

With kind regards,
Lisa & Gunther Lorenz

I thought I would write a quick thank you, to all you guys for the work done at Mum and Dad's house, everything went off without any problems.

I would especially like to thank David, even though I never meet him, but reports back from Mum and Dad, couldn't speak highly enough of him, nothing to hard, very obliging and workmanship fantastic.

I won't hesitate to recommend you guys. Once again thank you, Mum and Dad love it.

regards
J. Herdman

I would like to thank Formplex for sending a gentleman named Peter to our home to do a measure & quote on our house, what a lovely gentleman he is, my wife and I are seniors, and on a pension, and its hard to find a service like this anywhere, so thank you Peter, Formplex and staff, and the lovely lady who answered the phone and took my details thank you all again.
