FORMPLEX WEATHERBOARDS

FORMPLEX CELEBRATES 25 YEARS!

Formplex maintains its position as Market Leader providing all Australian made solid vinyl weatherboards that never require painting and allowing homeowners to enjoy the freedom of a maintenance free product with the security of a **50 year guarantee**. It is an irrefutable fact that having Formplex products on your home will save you money, allow you to enjoy your home without the worry of painting, gives you the peace of mind that your home will stay that way for generations to come and of course the added value of having a quality product on your home. Formplex has built a solid reputation with 25 years experience by completing over 50000 homes and hence that many happy home owners.

ExcellBoard has surpassed all expectations in the new home market. This solid uPVC building board perfectly compliments Australian living. From beachside to contemporary sophistication, heritage appeal, architectural designs and country homesteads that will cope with and guarantee against our harsh conditions.
